## Exhibitions and festivals in the selected period

### About Light

 **Bistra 6, 1353 (Technical Museum of Slovenia)**

 5 Oct 2022 - 31 Dec 2023

In words, objects and experiments, the exhibition tries to answer many questions about this ubiquitous natural phenomenon, without which there is no life. Throughout history, questions about light have occupied scholars and scientists, philosophers, physicists, mathematicians, etc., and knowledge of light and its properties enables man to use it to his advantage in many areas.
